## **Opportunities in high-volume printing**

Kyocera technology has already made a name for itself in the production printing industry. Now the time has come for us to release a device that meets the same high standards.

## Welcome to our Production Print Hub!

Using our experience of production print, we offer insight into one of the industry's major areas.

## Download our product guide

Get to know the TASKalfa Pro 15000c with technical information about the device and what benefits it offers. Download here!

## **Sustainability matters when printing high volumes**

Meet the new inkjet device which strikes the high output-low consumption balance.

## Main Specifications

### General

 square-540x540-ProductionPrintingTASKalfaPro15000c\_v1

#### General type

COLOR PRODUCTION INKJET MFP (up to 13" x 19")

#### Engine speed

146 ppm b&W / 146 ppm color

## Power consumption

Printing/Copying: 650W, Ready: 125W, Sleep mode: less than 15.0W

# Options and Consumables

## Paper Handling Options

### AK-9110

|                        |                                |
